Paintball Warriors

Paintball Warriors was incredible the first time around. Things can only get better from here. If you love paintball, or have never played a game, here is your chance to come out to camp and have some fun. For a solid 2 hours every weekend this spring, you can get out of the city and hang out with fellow campers and staff from the summer, all while playing one of the most intense games in existence.

Participants will need to work as a team or be a cunning lone wolf in order to become victorious on one of our three different fields. With a variety of ways to play from Capture the Flag to Bounty Hunters we won't run out of exciting ways to paint the landscape and each other (All paint is water soluble).

*Each week we will have a Biblical devotional challenge, to ensure that we are not only aiming straighter but getting closer to the truth as well.

*All Equipment is provided by Dallas Valley.
